

Newman's Birthday Book Club!

Newman's Birthday Book Club is a wonderful way to celebrate our students and their enjoyment of reading! Your participation allows your child to be personally involved in helping build the Library's collection of books. We hope you will consider participating.

How does it work?

Parents donate \$16 to purchase a "Birthday Book" for their child. During their birthday month, your child will choose a new hardcover book (from selections chosen for this Program) to donate to the Library. Your child will be the first to check this new book out and then it becomes part of the Library's permanent collection.

What do you get?

When your child joins the Birthday Book Club, he/she will:

- Be recognized as the donor of the chosen book with a commemorative bookplate
- Be the first student to check out the new book

Who chooses the books?

Jennifer Murray, the Newman Librarian, will choose an assortment of age-appropriate books for the Birthday Book Club. Your child will then choose a book from among these selections.

What if my child already had his/her birthday or has a summer birthday?

Birthday Book Club donations are processed throughout the year. If your child's birthday has already passed, he/she will be invited to choose a Birthday Book as soon as your donation is processed. If your child's birthday is between now and the end of school, you may make a donation by the dates listed and your child will be invited to choose a Birthday Book during his/her birthday month.

The Birthday Book Club is overseen by Jennifer Murray, the Newman Librarian, and is facilitated by the Newman PTC. This is not a fundraiser for the PTC and all donations are used to add books to the Newman Library.

Questions? Please contact Jennifer Murray at Jennifer_Murray@needham.k12.ma.us

Please return this portion with a check for \$16 made payable to "Newman PTC" and send to school in an envelope marked "Media - Birthday Book Club." OR order online through "media.newmanptc.org"
